

## **REMARKS**

A Notification of Missing Requirements under 35 U.S.C. 371 in the United States Designated/Elected Office was mailed to the undersigned on 23 April 2007. The Notification indicated that an Oath or Declaration signed by the inventors need to be provided.

Applicants respectfully disagree. Applicants did submit a fully signed Declaration as part of the PCT Request. A copy Applicants' postcard is enclosed herewith evidencing that the Declaration was indeed filed with the PCT Request at the same time as the Application. As can be seen on the postcard, six sheets of PCT Request, including the Declaration, was included.

Enclosed herein is a copy of the six sheets of PCT Request, as filed by the Applicants. As can be seen, Sheet 5, is a countersigned sheet. Thus, there are two Sheet 5's, as countersigned pages are numbered the same. It appears that the Sheet 5 containing the signatures of the inventors Jeffery W. Epp and Kynn J. Schulte was not scanned into the PCT file wrapper. Applicants do not know why this was not done, but Applicants respectfully submit that the copies provided herewith prove that Applicants did timely file a fully executed Declaration with the PCT Request.

Thus, Applicants submit that no fees are due for a late filing of a Declaration, as the Applicants filed the Declaration in a timely manner.

Further, Applicants respectfully request that the Notice of Acceptance Under 35 U.S.C. § 371 (Form PCT/DO/EO/903) mailed to Applicants on 26 October 2006, which was vacated 1 December 2006 due to the alleged Missing Requirements, be reinstated.

A copy of the Notification of Missing Requirements under 35 U.S.C. § 371 in the United States Designated/Elected Office that was mailed to the undersigned on 23 April 2007 is enclosed herein.

## CONCLUSION
